

Science Camp for Kids!

Fall Session:

The Chemistry Lab

Make slimes and goos and lava lamps, see bursts of colour in milk and launch mini rockets with chemical explosions!

Who: Kids ages 8 – 12

Where: Activity Centre

When: there will be 4 labs in the fall session from **1 – 4pm**

Friday, Oct 24 – **Slime and Goo (and fake blood too!)**

Friday, Nov 7 – **Bursts of Colour**

Friday, Nov 21 – **Lava Lamps and Fizztastic Foam**

Friday, Dec 5 – **Rockets and Explosions**

Cost: \$10 / lab (fees can be waived if requested)

Registration required: Sign up for individual or multiple labs one week prior to the date by contacting Patti Pringle at the **Galiano Conservancy Association** communityedu@galianoconservancy.ca or 250-539-2424 or on our facebook event.
