## The Re-Directory

Krista Thornhill-Stel

The Re-Directory is in full swing, thanks to the great support of our community and their generosity, this truly is Your Store!

We were so happy with the success of our Up Cycle Challenge and our four winners! Drop in the Recycling Yard to see Mike Silvers' installation piece, a wind chime made out of repurposed propane tanks! Along with Mike, our other winners were Anna Keefer for a wonderful repurposed art piece, Jenny Breukelman for her Satchel made from an old pair of jeans and suede jacket and an amazing Knife created by Diane Cragg and Company made from a repurposed desk and old dull blade. Well done everyone for your enthusiastic participation and creative entries! Winners were all awarded a cash prize of fifty dollars each.

We are happy to announce our newly elected board members for Galiano Island Recycling Resources; Bonnie MacGillivray, Nicole Mouner, Sandra Dolph, Gord Palmberg and Chris Mac Devitt. Super excited to be working with these people, bringing you the best possible service we can in meeting all your recycling needs! There is still lots of opportunity for you to get involved! Got an idea? Let us know! We are always looking for volunteer help down at the Re Cycling Barn and up here at the Re Directory, come on in and see what we're up to!

Check out our website [www.galianorecycles.org](http://www.galianorecycles.org) and like our page on Facebook, GIRR - Galiano Island Recycling! And don't forget to join our Galiano Buy/Sell/Redirect page on Facebook for all your re-direction needs on line.
