

Photo and Video Media Release Form

The Galiano Conservancy Association is a community-based non-profit society and registered charity founded in 1989 and dedicated to protecting the natural and human environment of Galiano Island, British Columbia. The Conservancy is one of BC's first land trusts, and owns and protects several environmentally sensitive properties on Galiano. We provide a variety of environmental education programs, and have active projects in the areas of conservation mapping, species at risk and ecological restoration.

We take the privacy of children and youth very seriously. The Galiano Conservancy does not share personal information or sell images we gather in the course of our work.
